

Stony Point High School Band Boosters ***2023-2024 Corporate Sponsorship Program***

Dear Community Member,

On behalf of the Stony Point High School Band Boosters, we would like to extend our thanks and well-wishes to all our local businesses who have and continue to support us. The future is these students, and they need your support to continue to develop into fantastic young adults. Students from band develop many positive characteristics such as discipline, cooperation, problem solving, creativity, respectfulness, leadership, and creativity. These traits will serve our students throughout high school and beyond. Your future employees could come from these students. At Stony Point we value our students and strive to help them succeed in all their endeavors.

The Stony Point Area Band Boosters (SPABB) is a 501(c)(3) non-profit organization run by band parents that provides support to the band programs at Stony Point and its middle school feeder schools. Where the District and State funding ends, we begin. We help through our time, talent, and treasure, but we cannot do this alone. We rely on outstanding community members, such as yourself, to help our band achieve its goals. As a year-round competitor, the Tiger Band is in constant need of resources to provide our students with a top-notch musical education, as well as the tools necessary to compete at the highest levels. Marching competitions dominate our schedules in the fall. In the spring, we compete in concert band, indoor percussion, and winter guard. The Tiger Band wants to raise the bar and gain even higher prestige in competition in marching band and concert band. For the Tiger Band to compete at a national level, they will need community support to bring in clinicians, add bigger and better props to their shows, and provide private lessons to students to build their playing abilities. With so many options for our students to show off their talents, you can imagine how high the cost of these competitions can get.

By supporting The Stony Point Tiger Band, you are assisting us with:

- Providing new instruments and instrument repair/maintenance for existing equipment.
- Offsetting travel expenses for competitions, as well as registration fees for competitions.
- Providing meals for the band during long practices, rehearsals, and at competitions.
- Paying for clinicians to observe and impart their expert knowledge to our students.
- Purchasing supplies to build props, make flags, and supply costumes for the marching shows, color guard, winter guard, and indoor percussion teams.
- Keeping program fees affordable - the most affordable in our district.
- Providing support for our feeder middle school band programs, who are vital to our future.
- Purchasing a used Tractor and Trailer for the band.

Your generosity makes a difference and is vital to a successful band. The Tiger Band Boosters are looking for sponsors to support the 2023-2024 Stony Point Tiger Band. We hope you will join us at the sponsorship level of your choosing.

Thank you for your consideration,

Scott Lowe

2022-2023 Stony Point Band Boosters VP of Fundraising
